

## 2 ACA FORMS SOUNDS SIMPLE, BUT...

The IRS now requires employers\* to file 2 new forms annually. BUT to accurately file there's lots to do each and every month.

## Monthly ACA Reporting Headaches

Many business owners don't realize the challenges of handling the details on their own.

## NOT GETTING IT RIGHT WILL COST YOU

Penalties for noncompliance or inaccurate reporting quickly add up.

For Example:  
Filing inaccurate forms for 3 employees

**\$1,040**  
(\$260 per 1094C + \$260 per 1095C)

## Simplify Monthly ACA Reporting & Lessen Your Risks.

READ ON...

\* Employers with 50 or more full-time employees and/ or full-time equivalents are required to annually report to the IRS on the coverage offered to their full-time employees and their dependent children.
