Does your company have excessive employee turnover? Is employee theft on the rise? Do you have excessive absenteeism? A company's most valuable asset is its people. Securing the right people is the key for every company to be successful. Gain confidence in your hiring decisions with MyHRConcierge's Employee Screening Solutions. We can provide you with everything from in-depth criminal background checks and drug/alcohol screening to employment verification.

MyHRConcierge has a complete suite of services to meet all of your employee screening needs. We will provide you with a comprehensive set of employee screening and onboarding products. Regardless of the industry you are in or the role being filled, rest assured that we have got you covered.

Your Company's health and success depend on the health of your employees. We also understand no two circumstances are exactly alike. Therefore, MyHRConcierge can utilize its breadth of experiences to develop custom solutions for your company. We are partnered with over 4,300 drug and alcohol testing collection sites throughout the United States. Therefore, we can provide you employment screening services regardless of your location.

The cost of employee turnover ranges from up to 50% of salary for entry level employees to 400% of salary for high level employees¹

Workers who report having 3 or more jobs in the previous five years are twice as likely to be current or past users of illegal drugs²
