ARM WORKERS

AGAINST CYBERVILLAINS
NO BUSINESS SMALL OR LARGE IS IMMUNE

60% of SMBs link Insiders to the root cause of cyber breach
(The 2018 State of SMB Cybersecurity)

80% of U.S. businesses expect a critical breach in 2019
(Trend Micro's Cyber Risk Index (CRI)

! MyHRConcierge provides cybersecurity for Employees online training series as part of the HRCompli E-Learn™, an interactive, online Learning Management System (LMS) that offers employees and supervisor access to over 160 HR and safety courses.

BACKGROUND CHECK

Thorough, accurate & complete background checks are an inexpensive way to help avoid hiring someone who poses a security threat

EDUCATE WORKERS
ON CYBERSECURITY REALITIES

Online interactive training is an effective way to teach common types of cyberattacks, the impact & the role of each person to avoid risk

PROVIDE A TOOLKIT
TO KNOCK OUT CYBER THREATS

Adding the right anonymous tip line; manager's HR help line & data security policies to your employee handbook, arms workers to safely take on their cybersecurity hero role along with IT
