

MyHRConcierge® Affordable Care Act Services

The Affordable Care Act (ACA) requires business with 50 or more full time equivalents to offer 95% of their employees that meet certain requirements minimum value insurance and must report this information on Forms 1094 and 1095 to the Internal Revenue Service each year. Failure to do properly offer so can lead to significant fines and penalties.

Flexible ACA Services to Simplify Your Compliance

MyHRC offers a wide variety of ACA services to help you regardless of your needs. We can help you if you just need assistance with printing mailing your forms or we can help calculate who should be offered insurance and create your 1094/1095 Forms and file them for you.

Experience you can count on

MyHRC has provided ACA services to our clients since the law was enacted. We have expert with vast knowledge of the ACA's Employers Mandate and provide assistance to clients everyday to help them stay in compliance.

Offerings that fit your needs
