

Labor Poster Compliance Program

Especially For Payroll Providers

Ensure Labor Poster Law Compliance While Increasing Revenue!

Did you know... Posting the required labor law posters is one of the most overlooked employer obligations?

The requirements and regulations of Federal labor law posters are exactly the same throughout the U.S., however, the requirements of State labor law posters vary from state to state and that's where most employers make the mistake.

A reputable HR Company such as MyHRConcierge® can help ensure clients are compliant with Federal and State requirements while also providing you with a recurring revenue stream.

Consequences for Failing to Post Current Labor Law Poster Can Be Steep

Depending on the severity of the transgression fines can range from as little as \$110 to a staggering \$35,000.

Our Easy Labor Poster Compliance Program Will:

- Provide Value
- Create Recurring Revenue
- Block Your Competition
- Simplified Billing
- Automatic Rollout For Updates
- Increase Client Retention
- Enhance Your Service Offerings
- Prevent Expensive Compliance Law Risk
