### Open API Platform

MyHRScreens' open platform API allows us to integrate seamlessly with many of the major applicant tracking systems (ATSs). These numerous integrations allow us to perform a wide variety of employee screenings in an efficient manner with fast turnaround times.

- Criminal Background Checks
- Drug & Health Screening
- Motor Vehicle Records
- Sanctions, Risk & Compliance
- Credit Report
- Social Media Screening
- Social Security Number Trace
- Verifications
- Workforce Monitoring
- Custom Screening Solutions
- State Sex Offender Registries

### Quick and Easy Screening Platform

A paperless workflow allows you to bring on your new hires faster and with confidence.

You can order screenings 24/7 and have access to your historical screenings at your fingertips. We also provide you the flexibility to invite your new hires to fill out their background check information and provide authorization directly in the system. This alleviates the burden of you having to enter their information.

## Industries That Benefit From Our Accurate and Fast Screening Include:

Healthcare Industry

Financial Industry

Manufacturing Industry

Retail industry

Transportation and Trucking Industries

Childcare and Education

Senior Care & Home Health

And More ...
